ISSUE 151 MAY 1981

What a load of .....

Rubbish is being dumped illegally around this village. To help avoid this, here are the legal ways of disposing of rubbish.

NORMAL COLLECTION is on THURSDAYS

South Cambridgeshire District Council will deliver plastic sacks periodically - if additional sacks are needed you can ring HISTON 2504.

Changes to normal collections (such as at holiday time) are advertised on the notice board in The Mall.

BULKY HOUSEHOLD ITEMS (except Garden and Building rubbish) will be collected by South Cambridgeshire District Council by arrangement. Ring HISTON 2504.

GARDEN RUBBISH ONLY can be taken to the skip provided by the Parish Council. You will find it behind the Youth Club (the old farmhouse) next to the school playground.

ALL ITEMS including WASTE OIL can be taken to the County Council Tip at Milton (free) or Coldhams Lane, Cambridge (small charge per car load). The Milton site is on the A10 just north of the A45 roundabout and is open: Mon. - Fri. 8am to 4pm
Sat. & Sun. 9am to 12noon

THE WASTE PAPER collection which had been organised by the Scouts has sadly ENDED, so newspapers should now be put out with your normal rubbish.

PLEASE USE THESE FACILITIES AND KEEP BAR HILL TIDY.

Items for inclusion in the JUNE issue of the BAR HILL NEWS should reach the Editor, MARTIN AVERY, 23 Foxhollow (CH 81233) by MAY 20th.

ADVERTISING enquiries to KEVIN GOLDING, 114 Pheasant Rise, (CH 80952) by the same date.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 21st. April in the Village Hall.

New Councillor

As there had been no requests for an election following the resignation of David Lindsay, the Council was free to co-opt a new member of its choice. A nomination had been received from Mrs. Geraldine Brett of 115 Appletrees and she was proposed as a new member of the Parish council by Derek Ford and seconded by Roger Hall. The vote was unanimous and we are pleased to welcome Geraldine to the Council and hope that she will enjoy her term of office.

Coach crash on A604

The Chairman reported that he had sent a letter, on behalf of all residents of Bar Hill, to Doncaster District Council expressing deep sympathy to the relatives of those killed in the recent coach crash on the A604. The Parish Council have been greatly concerned over the potential hazard caused by the poor signposting of this junction for some considerable time and in fact wrote to the relevant authority several months ago pointing out the dangers. We are now again in correspondence with the Department of Transport and will continue to press for better safety measures to be taken.

Planning Matters

The Parish Council strongly objected to an application by New Ideal Homes Ltd. for outline planning permission for the area between the top of Gladeside and the spine path. It is also understood that Tesco's are in the process of making another application for extensions to their store and that the extension envisaged would involve major changes to the centre of the village. At the time of going to press the Parish Council have not received a copy of the plans but we will keep residents informed of the situation.

Sale of Freeholds

We regret that due to an increase in the fees charged by the Land Registry the figure of £25 at present charged to freehold purchases for legal costs will have to be increased with immediate effect to £35. The cost of the freeholds themselves

is not being increased. We remind residents of Pheasant Rise that their freeholds are now available for purchase. For more information please contact the Clerk, Paul Smith (Tel Madingley 210889).

Names for Phases 9 and 10

Planning applications are to be submitted shortly for development on phases 9 and 10, the area between the Wilcon Homes development next to Hollytrees and Appletrees. The Parish Council would like to make an early decision as to the names for these two roads and invites villagers to suggest suitable names. Please contact the Deputy Clerk, Christine Avery (tel. 81233) if you would like to suggest a name.

We were very pleased to welcome two new residents of Appletrees to this Parish Council meeting, and were glad to know that they considered it interesting and informative. We would be very pleased to see more members of the public at meetings, especially at the next one, which will be held at 7.30pm on Tuesday 19th May in the Committee Room in the Village Hall and will be the Annual Meeting of the Parish Council.

BAR HILL TOY LIBRARY

The Toy Library will be open on Friday 8th May and Friday 22nd May from 2.00pm to 4.00pm in the Health Centre. There is a fee of 50p to join the Toy Library and a charge of 20p for each toy borrowed.

As well as two wooden train sets, we have available for loan many of the large Fisher Price toys, including the Play Family house, car and camper, the Tool Kit and Medical Kit, cash register and record player. We also have Playpeople sets, Duplo, Galt construction set, several jigsaws and lots more besides. Do come and have a look (but come early!)

If you would like to borrow any particular toy, please sign your name on the reservations list in the Toy Library and we will reserve the toy for you when it is returned. To avoid congestion in the Health Centre we would prefer people not to wait around for the toy they want, but use the reservations system instead. There is no extra charge for this.

LETTERS TO THE EDITOR

As you are no doubt aware 1981 is the International Year of the Disabled. I am making a plea on behalf of children and young people in this area who suffer from the less well known handicap of autism. Autistic children live in lonely isolation. They are unlike other children who are curious and eager to understand about life. They are unable to perceive through their eyes and ears and their lack of understanding often causes them to behave strangely and sometimes violently. They are literally cut off from the world in which they live.

The Cambridge Society for Autistic Children has been working in conjunction with other groups in Norfolk and Suffolk for the past three years to establish a community for autistic children when school leaving age is reached. We have recently purchased Barton Hall, in Barton Mills, Suffolk, at a cost of £185,000 and hope to open later this year with our first group of young people.

Autistic children are very demanding - the families desperately need help. We have no funds available to complete alterations to the property and to buy the extra furnishings and equipment required and are therefore currently organising a fund raising appeal. This is why I am writing at this time to ask if anyone in the village is able to help in any way at all. Perhaps you could organise a coffee morning or sponsored event or maybe help with secretarial work.

We are holding a Jumble Sale at Rees Thomas School on Saturday 16th May and will be collecting jumble in the week prior to that date. I would welcome help from anyone who could collect jumble and deliver it to 56 Fox Hollow.

On Saturday 27th June we are holding a Fete and Open Day at Barton Hall and would be grateful for any contributions to stalls or tombola/raffle prizes - or help !! We would of course be glad to welcome anyone from Bar Hill at the Fete which should provide lots of family fun.

Thank you for reading this letter and please do not hesitate to contact me if you require any further information.

Sincerely,
Margaret Heppell

Dear Editor,

I wonder if I can claim a first - to be knocked off my bike by a dog appearing at full run from round a blind corner ?

The dog and I met on the corner to the rear of Acorn Avenue, where there is a T-road of paths, myself coming from the direction of the school. And the dog coming from the Acorn Avenue and Foxhollow direction. I couldn't see him approaching or hear him, the time was about 9.00 pm Monday 6.4.81. and although the street light there was not working (which even if it were, don't think it would have helped) until he was round in front of me and we met 'head-on'.

I didn't have time to stop in the usual way, the dog was on top of my bike wheel. I was completely unbalanced and went to the ground bike and all. I managed to right myself and about to pick my bike up, when the owner/ master appeared from the same corner from where the dog had come. His "Oh dear, am sorry but he (the dog) does like to make a dash for the open fields, once he's off, that's it !!" made me rather cross and in my state of upset, I never got the owners name etc. But I shouldn't think it would be hard to find a large dog, who could knock a bike and rider off, and still go racing towards the open playing fields of the school for his evening run.

In some ways I was a walking wounded ex-rider by the time I got my damaged bike home, I have got bad bruising etc. and I sustained bumps and knocks in various places, which are yet to show themselves ! I could have been a lot worse and in my place could have been someone much younger or older who, without the bike to take the full impact, might possibly be hurt a great deal.

Yours sincerely,
Denise M. Craske.

Would any cyclists or dog owners like to comment ?

Editor.

Dear Mr. Editor
May I, through your columns, bid goodbye (God be with you) to many of your readers inside and outside the village.

After seven years being over the hill (!) in Dry Drayton and sharing in some of the teething troubles of Bar Hill's growth to a more mature community, we are off to Morecambe in North Lancashire on June 9th, and my last Sunday will be Pentecost - Whit Sunday, June 7th.

I have made many friends in Bar Hill and it has been a great privilege to share in your joys and sorrows as you have shared in ours.

Jean and I both hope that it won't be too long before some energetic family decides to come for a weekend or a holiday!

St. John's Vicarage
2 St. John's Avenue
Morecambe
Lancashire

will find us after June 9th.

I shall be instituted as Vicar on Friday June 12th at 7.30 p.m. and we shall value the thoughts and prayers of all our friends, as you have ours.

With very best wishes to you all,

Richard Smart

W.E.A. NEWS

Well, after a brave struggle to keep going, the Bar Hill branch of the Workers' Educational Association no longer exists.

At the A.G.M. held on March 24th only three people came, apart from the three retiring committee members. In view of this and the general lack of support to courses put on here it was felt that there was no alternative but to close the branch.

A place the size of Bar Hill should be able to support a branch quite easily as ones in several smaller villages in the area are thriving and expanding. Obviously support here is not very forthcoming at the present.

To those who have supported it in the past - a big thankyou. If there is anyone who is still interested in the W.E.A. or feels that in the future a branch could be started up again they should contact the W.E.A. BAR HILL GUIDES

The 1st Bar Hill Guides still have a few vacancies for girls between the ages of 10 and 14. At the moment, our Company has 25 girls, divided into four patrols. During meetings, we have so far this year: made musical instruments, made sweets, taken part in various challenges, practised first aid, looked at Guides in other countries, and in addition to Monday meetings have visited Wandlebury Ring and taken part in a District Thinking Day Church Parade.

Since the beginning of the year, six girls have taken their Promise. Interest Badges worked for this year include Child Nurse, Collector and Accident Prevention and each Patrol has been working towards their Patrol Purpose Patch.

Now that the lighter evenings are approaching, we plan to organise: hikes and rambles, campfires, tracking and orienteering, weekend camps, Patrol outdoor cooking and a Summer Fayre.

If you are interested in joining our varied and fun-filled activities, or would just like to come along and see us, we would be pleased to see you on Monday evenings, 6.30p.m. - 8.00p.m. in the School (during term time).

This week in the year gives us all an extra opportunity to share in the worldwide work of Christian Aid. They support and sponsor personnel training on the spot and help to organise aid programmes which aim to help families and individuals to support themselves. Special gifts of money and clothing are also sent to disaster areas.

Alongside CAFOD, the Catholic relief agency, they seek to be the arm of the Christian church reaching out to all in need.

Richard Smart has been the Anglican Minister in Bar Hill for seven years. He will be leaving the area at the beginning of June on appointment to St John's Church, Sandylands, Morecambe. We wish him and his wife Jean every happiness in their new home and church.

If you would like to contribute to the presentation to Richard and Jean, please put your gift in an envelope marked 'For Richard Smart' and deliver it to 60 Oatlands Avenue, 48 Acorn Avenue, or the Church Centre letter-box. Donations should be delivered by 18 May.
